

Project Presentation

Group 03

“ HELLO!

*Today, we are proud to
introduce our product*

Mr. Manager

19127463 - Nguyen Hoang Long (Leader)

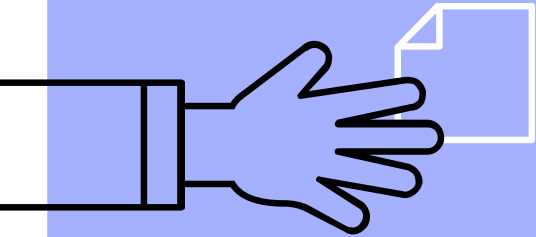

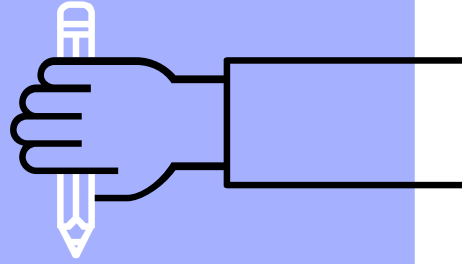

19127039 - Tran Hoang Kim

19127490 - Luu Danh Nhan

19127518 - Le Hoang Thinh Phuoc

Product Vision

- The problem: The need for easier sales managing in local stores.
- Affects: Stores owners, employees, customers.
- The impact: The traditional way of sales management.
- Successful solution: Simplify those processes.

Problem Statement

- User: Local store owners
- Need: apply technology to their daily store management
- Service: website
- Use: provides people a better sales management tool
- Website-based which is compatible with most computers without any configuration or settings.

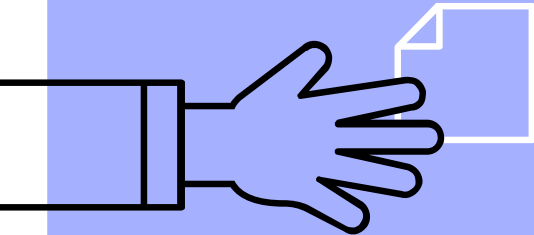

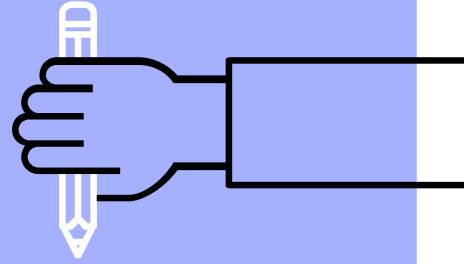

Product Position Statement

All the traditional stores want to apply digital transformation to develop their business
